Welcome

Dear Parents,

We would like to take this opportunity to welcome your family to the Kids Network program. The purpose of Kids Network is to provide before and after school child care in a familiar setting that offers planned activities, quality care, and excellent supervision.

This program is convenient in location and competitive in pricing. Each site meets Nebraska Department of Health and Human Services standards for School Age Only and Child Care Centers as well as meeting inspection requirements from the Fire Marshal and County Health Department.

The program attends to educational and nutritional needs of each child. A morning breakfast and after school snack are served at no additional cost. Activities are planned by the Site Director and their staff. These activities vary in an attempt to provide a fun child care experience. Supervised child care will include large muscle activities supplemented with fine motor skill activities such as arts and crafts, and table games. Children will also have an opportunity to complete school assignments, have free choice time, and outdoor play.

This family policy manual outlines what you may expect from the Kids Network Program and what Kids Network expects from you in return. We hope it will be helpful and we welcome your suggestions for future policy manuals. If questions arise that aren't covered in the manual, please feel to speak to your Site Director, or contact the Millard Public Schools Foundation office at 402-991-6710.

We hope your family's experience with the Kids Network program will be an enriching, delightful experience. Welcome to Kids Network!

Sincerely,

MPSF Kids Network Administration

Program Information

LICENSING: Kids Network is a child care program licensed by the State of Nebraska through Nebraska Health and Human Services. Kids Network sites are visited throughout the year by our Licensing Resource Specialist to maintain our licensing compliance with the State of Nebraska. The school-age child to adult ratio is 15:1. Kids Network is housed in the gym, multi-purpose room, commons area and/or media center depending on the building in which the program operates.

Nothing is more important than a dedicated, experienced, and well-trained staff. Staff members are selected for their experience, training, and personal commitment to the needs of children. A background check is completed through the Child and Adult Protective Service Registry and Nebraska State Patrol for all staff of the Millard Public Schools Foundation Kids Network program. All Kids Network employees are required to have documented annual in-service training, and a minimum of two employees at each site are required to have CPR and first aid certification.

CHILDREN SERVED: The Millard Public Schools Foundation Kids Network program does not discriminate in our admission policies based on race, sex, religion, place of national origin, or physical or mental abilities. Child care is provided for children ages Kindergarten – 5th grade, with exception of Montclair Elementary, as preschool children are served due to the Montessori program. During regular school days, children are only able to use the Kids Network site where their child is registered for school.

Kids Network provides care only for children who are: toilet trained; have age-appropriate eating, dressing, and hygiene skills; able to abide by the rules of the program as outlined in the Family Policy Manual; and are able to function effectively in a setting with one adult for each 15 children.

It is mandatory that parents list on the registration form **at the time of registration** should their child have any special needs or accommodations. Failure to comply with this request at the time of registration may result in removal from the Kids Network program. All information listed will remain confidential; but it is for the safety and well-being of your child that we request such information, so that appropriate and adequate care can be given to best serve your child's needs.

HOURS AND DAYS OF OPERATION: Kids Network is a year round program that operates during regular school days, non-school days, snow days, and has a full day summer program. However, Kids Network is closed on all major holidays. Please check the annual calendar listed in the previous section for a complete listing of days Kids Network is closed.

Millard Public Schools Foundation Office: The Millard Public Schools Foundation office is open Monday – Friday from the hours of 8:00am – 4:30pm. The Foundation office is closed on all major holidays.

Kids Network Sites (Regular School Days): Sites are open Monday – Friday from 6:30 am until school begins, and after-school from 3:45 pm – 6:00 pm with the exception of Grace Abbott. Due to early release, all sites with exception of Grace Abbott, open at 2:15 pm on Wednesdays. Grace Abbott's hours of operation are Monday – Friday from 6:30 am – 8:20 am, and 3:20 pm – 6:00 pm.

Kids Network Sites (Consolidation Days/Snow Days): Designated sites are open on consolidation days from 6:30 am until 6:00 pm. A schedule will be distributed in September for the entire school year that lists the dates of consolidation, locations, and the sites which will be consolidating together. Please see the section titled 'Consolidation & Snow Days' for snow day policies and procedures.

HOLIDAYS: Kids Network will be closed for the 9 following holidays: Independence Day, Labor Day, Thanksgiving, the Friday following Thanksgiving, Christmas Eve, Christmas Day, New Year's Eve, New Year's Day and Memorial Day. If a holiday falls on a Saturday or Sunday, Kids Network will either be closed the Friday preceding the holiday or the Monday following the holiday. *Kids Network will also be closed the day following the last day of school.*

ENROLLMENT AND REGISTRATION PROCEDURES FOR NEW FAMILIES: In order to initially register in the Kids Network program the following information must be completed and submitted to the Foundation office prior to your child's first day in the program:

- Complete the online registration process
- Submit a current and complete copy of your child's immunization record
- Complete the 'EZ-EFT Agreement Form' and attach a voided check
- Pay the non-refundable registration fee of \$50.00 per child; children receiving Child Care Subsidy benefits may not be subject to a registration fee

At the time of registration families will be provided access to our family policy manual, a current fee schedule, and any other necessary paperwork through our registration web portal. Once the above paperwork processes have been completed, information will then be added to the database and forwarded to the Site Director at your child's site.

ENROLLMENT AND REGISTRATION PROCEDURES FOR CURRENT FAMILIES IN THE KIDS NETWORK PROGRAM: Re-registration is held each year in the spring for current families wanting to register for summer and the upcoming school year. Re-registration is facilitated by each individual Kids Network site and office Administration; although registration processes will be completed online or at the site by parents/guardians. Re-registration processes will be provided to each family in March by their Kids Network site and via email communication.

Families who are currently in the Kids Network program always have priority so long as they have registered by the registration deadline each year. Siblings who will be entering Kindergarten in the fall are also given priority for the upcoming school year. In order for siblings to receive priority, they must be registered with the child currently attending Kids Network during the re-registration period. Priority is still given if the current child will be attending middle school for the upcoming school year. Families who do not register by the deadline will be forfeiting their spot in the Kids Network program. If they want to re-register back into the program; they must contact the Millard Public Schools Foundation office. In order for them to re-register, the site must have open positions, and they will be required to register as a new family.

REGISTRATION FEE: A non-refundable registration fee must be paid at the time of the initial registration into the program and annually thereafter. The initial fee is \$50.00 per child and each subsequent annual registration is \$25.00 per child. If you remove your child from the Kids Network Program at any time, and choose to register them back into the program, a \$50.00 registration fee per child will be collected at that time. Children that qualify for Child Care Subsidy may not be subject to payment of registration and activity fees as reimbursement for these fees may be sought from DHHS.

ENROLLMENT CATEGORIES: Families have five choices of enrollment categories from which to choose. Tuition charges depend upon their chosen enrollment category, along with the number of children are enrolled. Due to the fact that we are licensed by the State of Nebraska space is limited based on our license capacity for each Kids Network site. Families will be given the option to place their child on the Kids Network wait list in the event the position they are requesting is full.

Your tuition is determined by the enrollment category for which you register your child/children. Tuition charges are based on enrollment category, not attendance or the number of days between deduction dates.

Full Time – Reserves a space each morning and afternoon

AM Only – Reserves a space each morning

PM Only – Reserves a space each afternoon

AM w/Wed PM Only – Reserves a space each morning and Wednesday afternoon. *This enrollment category is not available for children attending Grace Abbott.*

Wed PM Only – Reserves a space each Wednesday afternoon only. *This enrollment category is not available for children attending Grace Abbott.*

TUITION: The Millard Public Schools Foundation automatically deducts tuition from either a checking or savings account. Charges are only deducted on the first and third Fridays of the month. Charges for non-school days and snow days will be added to the regular tuition which is automatically deducted from your account. Site Directors will complete billing statements for families who register for consolidation days, and for those who attend snow days. Billing statements will reflect the dates for which children were registered, amount owed, and the date the deduction will occur. Tuition is based on the enrollment category for which each family has registered and is due regardless of the child's actual attendance. Please review the fee schedule for the current tuition rates.

The Millard Public Schools Foundation has the capability to withdraw funds out of two separate accounts. In divorce situations, the Foundation is able to split the amounts by the necessary percentage as outlined in the divorce decree and/or as agreed upon by both paying parties. Failure of both paying parties to adhere to the conditions as stated in their divorce decree and/or signed acknowledgement of responsibility may result in termination of one or both paying parties, reallocation of financial responsibilities or termination of services. Paying party eligibility will be terminated if the Millard Public Schools Foundation receives three (3) returned payments on behalf of a given paying party during one school year.

Should the financial institution account of one paying party no longer be valid or if their eligibility is terminated, 100% of the tuition will then become the responsibility of the other paying party. Notification will be requested from the eligible paying party to assume 100% of tuition to continue services. Families will have one week from the date of request to comply. Failure to comply will result in termination of services. Once the eligible paying party acknowledges 100% payment responsibility to continue services the Foundation will continue to withdraw 100% of the tuition out of their financial institution account until the non-eligible party provides valid financial institution information or is granted reinstatement as an eligible paying party. This also applies to all other two paying parties.

Failure to submit payment for all tuition and associated fees accrued on a paying party's account will result in termination of the account and the balance being turned over to collections. Terminated accounts are subject to be reviewed for reinstatement by the Millard Public Schools Foundation the school year following termination and all determinations made regarding all accounts are at the discretion of the Millard Public Schools Foundation.

HOW IS MY TUITION DEDUCTION AMOUNT DETERMINED? Each enrollment category has an annual amount charged. The annual amount is then divided into 18 equal deductions. The first deduction for the school year will be on the third Friday in the month of August. The last deduction of the school year will occur on the third Friday in May. There will be no deduction taken on the third Friday in December. All other months throughout the school year will have two deductions, regardless if the Kids Network program is closed or school is not in session. Deductions occur on the first and third Friday of the month. If the first or third Friday would occur on a holiday, the deduction would draft out of your account on the following Monday. Please review the enclosed fee schedule for the deduction dates. Please remember that deduction amounts will differ if consolidation days or snow days are added to your regular tuition/deduction amount.

EZ-EFT: Through EZ-EFT the Millard Public Schools Foundation Kids Network program automatically deducts the tuition from either a checking or savings account. This is a more secure way to pay your child's account rather than writing a check. EZ-EFT also incorporates additional security procedures, utilizing 128-bit encryption.

Families that have provided the Foundation with a valid email address, will receive an emailed invoice of payment as part of their enrollment in EZ-EFT. These invoices are helpful to track payments made to the program and are helpful tools for families participating in child care spending programs which may be offered through their employment.

EZ-EFT AGREEMENT: All families registered in the Kids Network program are required to have their account set up on automatic tuition deductions through EZ-EFT. At the time of the initial registration families will complete EZ-EFT agreement through online registration processes. Families will need to complete a new EZ-EFT Agreement Form when changing account information. If you need to make account changes you must do so in person at the Millard Public Schools Foundation. It takes approximately 5 business days from the time the Millard Public Schools Foundation receives the new account information before the account is active.

RETURN PAYMENT: A \$35.00 fee will be assessed to your account if the Millard Public Schools Foundation receives notification of a return payment due to insufficient funds from your financial institution. If the Millard Public Schools Foundation receives three (3) returned payments due to insufficient funds, or invalid or closed account notifications, within in one school year, your child may be removed from the Kids Network Program.

If the Millard Public Schools Foundation receives notification that your payment has been returned, a letter will be sent by the Foundation office notifying you of the return. Payment can be made at the Foundation office by the due date specified in the letter or the amount will be added with the next scheduled deduction. Should the Foundation receive notice of customer cancellation of payment or customer account closure, the Foundation will require written notice from your financial institution verifying approval for future ability to withdrawal tuition. This is a requirement mandated by our tuition processing vendor. Please contact the Foundation for details.

If two (2) consecutive payments are returned, a second letter will be sent by the Foundation office notifying you of the return. If two (2) consecutive payments are returned, you will be notified that your child/ren will be suspended effective immediately upon the Foundation receiving notification of the return. You will be given one week beginning with the date of suspension to rectify your account. The Foundation reserves the right to hold families responsible for all charges accruing during any period of time in which a child is suspended from the Kids Network program.

All payments must be made to the Foundation office in the form of cash or money order. Failure to rectify your account in full within one week following the date of suspension may result in immediate removal from Kids Network, and your account being submitted to collections. Parents or guardians will be responsible for any collection costs or charges incurred. These charges will be added to the outstanding balance on their account. Should the child be removed from the program, and the account is paid in full, the child will be eligible for re-enrollment into the Kids Network program provided the school does not have a wait list, and a \$50.00 registration fee per child is submitted. Completion of new registration paperwork may be required.

If three (3) payments are returned during the school year your child/ren will be removed from the program. Should the child be removed from the program, and the account is paid in full, the child will be eligible for re-enrollment into the Kids Network program provided the school does not have a wait list, and a \$50.00 registration fee per child is submitted. Completion of new registration paperwork may be required.

CHILD CARE SUBSIDY: The Millard Public Schools Foundation accepts Child Care Subsidy. The Child Care Subsidy program is provided by the State of Nebraska and must be set up through Nebraska Health and Human Services. For the Millard Public Schools Foundation to accept subsidy, families must have a current provider authorization form on file, complete an EZ-EFT form, and provide a voided check from an approved bank account. If the subsidy authorization expires, Kids Network services will begin being charged to the family's account at the enrollment category for which their child/en is/are registered. Charges accrued will be deducted from the bank account on file beginning with the next deduction following benefit expiration. Information regarding fees and a deduction schedule can be found on our Kids Network Fee Schedule.

It is the family's responsibility to contact their case worker for continued authorization of services as the Millard Public Schools Foundation assumes no responsibility in securing reauthorization for benefits. Subsidy will cover registration and activity fees; however, it is the responsibility of the family to request for reimbursement. Upon family request, MPSF will be eligible to bill DHHS for these fees. DHHS will not subsidize late fees, or field trip fees during the school year, therefore these fees are responsibility of the family. Families are expected to request their case worker fax updated authorizations to the Foundation office to ensure uninterrupted services or financial responsibility. The fax number is 402-991-6858.

All charges accrued during expiration of subsidy benefits are the responsibility of the family and are non-refundable as the Millard Public School Foundation will not honor back-dated Child Care Subsidy authorization requests.

If your subsidy plan includes a co-pay, and you pay the co-pay to another provider, your authorization must state that. Without that statement, you will be responsible for co-pay fees paid to the Millard Public Schools Foundation. Once these fees are processed they are non-refundable, regardless of back dated authorizations.

LATE PICK-UP FEES: All children are to be picked up by 6:00 pm. The doors to the facility automatically lock at 6:00 pm per our agreement with DHHS licensing and our MPS building agreement. Families will be charged for late pick-up at a rate of \$20.00 per child for the first 15 minutes, and \$15.00 per child for each additional 15 minutes of care provided. The clock located near the designated sign-in area at your site is the clock used to determine drop-off and pick-up times. Site Directors will complete and supply families with a form indicating all late pick-up fees assessed and a date specifying when these fees will be deducted from their account. Families will not be able to use the program until they have signed the form presented to them by the Site Director detailing the late-pick up. All late pick-up fees will be deducted from your account in addition to tuition fees. In cases of split tuition, late pick-up fee policies will be assessed in full to the party responsible for the late pick-up.

Families accruing three (3) late fees in a school year will result in immediate removal from the Kids Network program. Families removed from Kids Network due to late pick-up fee violation are eligible to be placed on a wait list and/or re-register for Kids Network the following school year.

Late fees begin at 6:01 pm: 6:01 pm – 6:15 pm an initial \$20.00 late fee per child is imposed; 6:16 pm – 6:30 pm an additional \$15.00 late fee per child fees is imposed; At 6:31 pm, if we have been unable to contact parents, guardians or other persons authorized to pick-up, authorities will be notified and we will report child/ren as abandoned.

FEDERAL TAX ID NUMBER: The Federal Tax ID number of the Millard Public Schools Foundation Kids Network program is 47-0678796.

YEAR END TAX STATEMENTS: It is the responsibility of the parent or guardian to maintain records of the total amount paid for the child during the calendar year. Each family will be provided with one itemized statement by January 31 with the prior year's tuition and payment information. Statements will be distributed via email.

STATUS CHANGES: Any change in registration status for your child, such as changing from full time to AM, must be provided in writing on a 'Kids Network Status Change' form obtained from and returned to the Site Director at your site. Changes in the account used for payment must be reported on a separate form provided by your Site Director. Changes made to an account shall under no circumstance be less than two weeks (14 days).

WITHDRAWAL FROM THE KIDS NETWORK PROGRAM (By the family): Families who wish to discontinue child care services with the Kids Network program must give a two week (14 days) written notice of withdrawal completed on our 'Kids Network Withdrawal' form. This form is available at your child's site, or from the Millard Public Schools Foundation located at 5225 S. 159th Avenue. The two-week period begins from the time the Site Director receives the completed forms. Parents are obligated to continue payment of any tuition or fees to meet the requirement regardless of the child's attendance. Any charges incurred during this time are non-refundable.

WITHDRAWAL FROM THE KIDS NETWORK PROGRAM (By the Foundation): Reasonable steps will be taken to avoid termination; however, if we can no longer provide care we will give a two week notice. The two week notice is null and void if the child is being removed for disciplinary reasons (please see "Disciplinary Policy"). You are responsible for payment for those two weeks even if your child does not attend. Kids Network may terminate services for any of the following reasons (but are not limited to):

- Failure to honor obligations listed in the Family Policy Manual, or in any written policies provided.
- Any actions by parents or children that adversely affect the program. Offensive language used by parent/guardian or staff harassment.
- Lack of parental cooperation.
- Failure to complete required forms.
- Inability to meet the child's needs without additional staff.
- Failure to maintain a current account balance.

TRANSFER REQUESTS: Any request for transfer to a different Kids Network site, must be provided in writing on a 'Transfer Request Form' obtained from and returned to the Millard Public Schools Foundation office. At the time of current family re-registration, forms will be available to complete at your Kids Network site. Granting transfer requests are subject to availability.

Site Directors will also include staff and children in program planning to assist in scheduling activities suitable for all. A variety of age-appropriate activities are planned daily to coincide with the daily schedule, providing the children a choice in activities in which to participate.

Please do not send your child to Kids Network with a cell phone. In the event that you need to contact your child at Kids Network, please feel free to call the site and ask for the Site Director. The Site Director will be able to assist you in speaking with your child. Conversely, a child may be permitted to contact a parent/guardian if the Site Director deems the situation as appropriate.

Attendance

AM Attendance

Due to the fact that children arrive at different times for the morning program, children will be checked in on the attendance sheet as they arrive.

PM Attendance

After children have arrived and placed their belongings in the designated spot attendance will be taken. Within the first 20 minutes of the program opening in the afternoon, the Site Director will have an accurate attendance record. Any child who is scheduled to attend in the afternoon and is not accounted for, the Kids Network staff will implement the 'Missing Child Procedures'. This policy is outlined in a later section.

Hand-washing/Restrooms

Children and staff are to always wash and dry their hands thoroughly before handling or consuming food, and after the use of the bathroom facilities.

Snacks

Morning Snack/Breakfast Program

Each Kids Network site participates in the school breakfast program provided by Millard Public Schools. Summer program breakfast service is determined upon annual review each spring. All breakfast meals meet USDA requirements under the National School Breakfast Program. The cost of the breakfast program is paid by the Millard Public Schools Foundation. Weekly menus are posted at each site which is provided by the Millard Public Schools Food Service Department. Menus and times which breakfast is served may vary at each location.

Afternoon Snack

After attendance is complete, children will be served an afternoon snack. Weekly menus are posted so that staff, children, and parents are aware of the daily menu. Snacks must represent two of the four food groups. Adequate and appropriate portions will be given based on the children's needs. Substitution snacks are provided for children who have special dietary needs on days when the scheduled snack is not appropriate.

Lunch

Lunch Program

Each Kids Network site participates in the school lunch program provided by Millard Public Schools during consolidation days and snow days. Summer program lunch service is determined upon annual review each spring. All lunch meals meet USDA requirements under the National School Lunch Program. The cost of the lunch program is paid by the Millard Public Schools Foundation. Weekly menus are posted at each site which is provided by the Millard Public Schools Food Service Department. Menus and times that lunch is served may vary at each location.

Activities

Each Kids Network program offers a variety of structured as well as unstructured experiences to the children. The following areas will be a part of the daily schedule:

Gross Motor activities

Children will have an opportunity to run, climb, and jump through outdoor free play, as well as, organized games led by the staff.

Weather permitting, children will play outdoors daily. All children who are well enough to be at Kids Network will be expected to participate in this activity. You can help your child to enjoy this time outdoors by being sure that he or she is dressed for existing weather conditions. If your child has chronic health problems that prohibit or limit outdoor play, please notify your Site Director.

Fine Motor Skills

Children will have an opportunity to participate in a variety of age appropriate table games, arts and crafts, blocks, and Legos.

Free Choice Time

Time is set aside for children to select materials and engage with peers to manage their play independently. This allows children to make decisions and have control of their world.

Supplemental Recreational Programming

Children will be given an opportunity to participate in various types of supplemental recreational programming focusing on a variety of interests including: nutrition, physical activity, literature, mystery, problem solving, world culture, science, outdoor recreation, drama, art, entrepreneurial skills, citizenship, social skills, etc.

Additional Activities

Additional areas are offered for children to engage in music/movement, dramatic play, reading activities, cooking, science projects, and completion of school assignments.

Departure

Children leaving the Kids Network site must be signed out daily by a parent, legal guardian or a person specified on the child's authorization list. Parents cannot call and request their child to be signed out by a staff member to leave with another individual, or walk home. This policy is outlined in more detail in a later section.

Supervision & Safety

PROVIDING APPROPRIATE CARE AND SUPERVISION: Staff members of a childcare program are the most important element in successful operation of the program. It is the staff that is responsible for creating and maintaining a safe, healthy environment. The staff shall assume responsibilities for providing adequate and appropriate supervision at all times children are in attendance. Every situation will differ; however, it is expected that childcare staff will use good judgment in assessing proper supervision while children are in our care.

Appropriate supervision is provided by adhering to the following guidelines:

- Staff remaining in the same room as the children.
- Children shall never be left unattended.
- Staff will try to eliminate distractions and interruptions such as telephone calls & radio/CD players.
- An accountability plan will be in place for children who need to use the bathroom or drinking fountain during outdoor play.
- If during Kids Network time, the child needs to go to their classroom, they will be escorted by a Kids Network staff member.
- Staff will be visible and available at all times.

ATTENDANCE AND ABSENCE PROCEDURES FOR CHILDREN ENROLLED: One goal of the Kids Network program is to provide a safe environment for each child. Knowing all children scheduled to be present is part of this goal. Attendance is taken promptly after school dismissal as the children arrive in the gym. If a child is scheduled to attend Kids Network after school, the child does not arrive, and a parent/guardian has not notified Kids Network, the Site Director will initiate the 'Missing Child Procedures'.

If a child will be absent or will be late to Kids Network, messages may be left on voice mail 24 hours a day by calling the number for your child's site. Messages left with the school secretary **DO NOT** fulfill this obligation. Kids Network is not a program of the Millard Public Schools, and the school secretary is not responsible for taking messages for Kids Network.

MISSING CHILD PROCEDURE/POLICY: If a child is scheduled to attend Kids Network after school, and the child does not arrive, and a parent/guardian has not notified Kids Network, the following procedure will be followed:

1. Check with the school secretary and health room aide to see if the child left school or has gone home ill.
2. Check classroom and with classroom teacher.
3. Call parent or emergency numbers on enrollment form.
4. If unable to reach parent or emergency number, the Police Department will be called for assistance. If step 3, "call parent or emergency numbers on enrollment form," is reached on more than **three** occasions as the parent/guardian did not notify Kids Network that the child would be absent, the child will be permanently removed from the Kids Network program.

DROP OFF & PICK-UP PROCEDURES: A child will be allowed to leave Kids Network only when accompanied by a parent/guardian or by a person listed in writing by the parent as authorized to pick up the child. Any parent or authorized person who drops off or picks up a child must sign the child in/out with our Timeclock software using the pin code they have been provided. Kids Network staff members cannot sign a child in or out of the program. Failure to sign in the child in the morning or out in the afternoon may result in the removal of the child from Kids Network. Kids Network will not be responsible for children left unsupervised before our official opening time. A photo ID is required for any authorized person other than a parent/guardian to pick up a child.

SIGN IN & OUT RECORDS: Sign in/out records are kept electronically in our Timeclock software. Should you require copies of monthly sign-in and out sheets, please contact the Foundation office.

RELEASE OF A CHILD: CUSTODY/DIVORCE/UNAUTHORIZED INDIVIDUALS: It is our policy to release a child to either parent unless we have a copy of a court order/divorce decree prohibiting one of the parents from having custody of the child. Children are also eligible to be released to authorized individuals as permitted by the parent having custodial rights on a given day as stated in the court order/divorce decree. The school may have a copy of the court order/divorce decree

on file, but because we are a separate entity from Millard Public Schools we require a copy for our records. For the safety of your child, it is imperative that this information is supplied and discussed with your child's Site Director. **The Millard Public Schools Foundation will not assume responsibility for children released to unauthorized individuals if we do not have the proper documentation on file.**

Health & Safety

Illness policy: Kids Network cannot accept any child who has a contagious illness or any of the following:

- Fever: Any child with a temperature of 100 degrees or above
- Diarrhea
- Vomiting
- Contagious skin or eye infection

If any of the above occurs at Kids Network, parents will be called to pick up their child. The child must be picked up within one hour of being notified. If we cannot reach you, we will contact the authorized individuals on your child's/children(s) registration form.

Please let the Site Director know if your child has been diagnosed with a contagious illness. Notice will be posted to all families within the site, letting them know that their child has been exposed to a contagious illness/disease. For confidentiality reasons, the name of the child with the confirmed illness will never be released.

Common colds and allergies should not, unless causing the child to feel too uncomfortable, prohibit attendance. It is our policy to have conditions that encourage cleanliness and good health practices among both staff and children. Please refer to the health exclusion policy for additional information.

Parents are expected to provide the Site Director of any procedures or accommodations that may need to be taken. Staff within your child’s program will be properly trained in the procedures outlined for children who have special accommodations, needs or medical conditions listed.

STORING AND ADMINISTERING MEDICATION: Medication can be stored and administered at Kids Network under the following guidelines which are set forth by the Nebraska Health and Human Services Regulation and Licensure division. Kids Network requests that all medication be delivered directly to Site Directors and that proper documentation is completed. Kids Network will not store nor administer any medication that has not been delivered to the Site Director by parent/guardian, accompanying proper completed documentation. Expired medication will not be kept on site as it is a violation of our licensing agreement with the State of Nebraska. All expired medication will be returned directly to a parent/guardian. It is the responsibility of parents/guardians to supply Kids Network with non-expired medication, accompanying completed proper documentation in order to administer any prescription or non-prescription medication on site.

- **8-016.03 Delivery of Medication:** Any child care provider, center, or preschool staff person who gives or applies medication shall do so in accordance with the “5 Rights” as required in Nebraska Statutes 71-6718 through 6742. These are:
 1. The right drug;
 2. The right recipient;
 3. In the right dose;
 4. By the right route;
 5. At the right time;
- **8-016.04 Parental Responsibility:** Parents or any licensed health care professional shall determine if child care providers or center and preschool staff are competent to give or apply medication. Center and preschool directors have the responsibility to assess the ability of staff to give or apply medication safely.
- **8-016.05 Confidentiality:** Any child care provider, center, or preschool staff who gives or applies medication shall not disclose information about a child’s medication unless such information is needed to protect the health of other children or staff.
- **8-016.06 Written Permission and Instructions:** All child care providers, center or preschool staff shall give or apply medication, both prescription and non-prescription, only with prior written permission and written instructions from a parent. Child care providers, center or preschool staff shall comply with the instructions provided by the parent. Medication shall be in the original container, stored according to instructions, clearly labeled for a named child, and returned to the parent when no longer needed. The dosage will not exceed that which is printed on the label. Expired medication shall not be given or applied to a child and shall be returned to the parent.
- **8-016.06A Report to Parents:** Any error the giving or applying medication shall be reported to the parent.
- **8-016.07 Unusual Circumstances:** There must be a written statement from the licensed health care professional who prescribed the medication allowing the provider to give the medication when:
 1. Any prescription medication is given or applied as needed (PRN); or
 2. By route other than oral, topical, inhalant, or instillation.
- **8-016.09 Hand washing:** All child care providers, center and preschool staff shall wash hands before giving or applying any medication. If handling any bodily fluids is involved, caregivers must also wash hands after giving or applying medication.

MEDICATION LOG: Each site has a designated medication binder for children enrolled receiving medication. Information within the binder is kept confidential. For each child receiving medication there must be a completed medication log sheet signed by a parent or guardian which includes a competency statement permitting Kids Network to administer medication to your child. If medication is to be given on an 'as needed' basis, prescription or non-prescription, a note from a licensed health care professional indicating that Kids Network can administer the medication on an 'as needed' basis is required. Medication log forms are required to be updated each summer, at the beginning of each school year, and at any time medication type, dose, route, and/or time of administration is modified.

MEDICATION STORAGE/FIRST AID KIT: All medications and first aid supplies are kept on site and stored in an area that can be locked at all times. An additional locked box is provided for medications that may need to be refrigerated. The following first aid supplies are available at all times: fever thermometer and covers, band-aids, sterile gauze pads, gloves, scissors, soap and tape.

EPI-PEN: If your child has an allergy that may require the use of an Epi-pen, Kids Network will require their own Epi-pen kept on site which will be provided by the parent or guardian. If your child would require the use of the Epi-pen while in attendance the following steps will be taken:

1. The Epi-pen would be injected by a staff member.
2. 911 would be called after the Epi-pen is injected.
3. The parent or guardian would then be contacted and given further information.

LATEX GLOVES: Latex gloves are worn by staff when administering first aid. Please inform the Site Director and indicate on your child's registration form if your child has a latex allergy.

SUNSCREEN: In order for Kids Network to administer sunscreen to a child during school year operations, a medication log must be completed by parents/guardians. A doctor's note is not required in this case. It is the responsibility of parents/guardians to provide sunscreen that is labeled with the child's name. During summer operations, we do not require that a medication log be completed nor do we require a doctor's note; however, we do require that a Kids Network 'Sunscreen Administration Form' be completed by a parent or guardian.

MINOR AND SERIOUS ACCIDENTS: In case of an accident at Kids Network, emergency first aid will be administered and parents or guardians will be notified. If the Site Director is unable to reach the parent or guardian, emergency phone numbers will be used. An emergency unit will be called only in extreme cases. These units are dispatched by city or county officials according to the location of the school and are usually required to take patients to the nearest hospital. A staff member would accompany any child being transported to a local hospital, and remain with the child until the parent or guardian has arrived. At the time of enrollment parents give the Millard Public Schools Foundation Kids Network program permission to transport and treat in the event a medical emergency arises. A copy of the child's registration form and immunization records would be brought to the hospital with the staff member.

An accident report outlining the care and procedures administered to the child will be completed and placed in the child's file. A copy will also be given to the parent and the Foundation office. The accident report must be signed by the parent or guardian before the child will be allowed to return to Kids Network. Parents or Guardians are responsible for any expenses incurred due to an injury.

General Guidelines Used for Administering First Aid

1. Staff will not move the child until we determine the extent of the injury.
2. Any mild cut or abrasion will be washed with warm water and a bandage will be applied. Salves, ointments, or creams will not be applied or kept on site, unless an 'as needed' script is provided by a licensed health care professional and the parent or guardian has supplied the medication.
3. In case of deeper cuts possibly requiring sutures, staff will call the parent or guardian immediately. If we are unable to reach the parent or guardian, we will contact another authorized person on the child's registration form, or notify the child's listed physician for medical advice.

4. If a limb is visibly distorted we will contact the parent or guardian immediately. The parent or guardian can then make the recommendation as to having 911 dispatched, or if the parent would prefer to transport. If we are unable to get in contact with the parent or guardian staff will call 911 immediately. If a child is transported to a local hospital, a staff member will accompany the child to the hospital, and remain with the child until the parent or guardian has arrived.
5. If a child becomes unconscious 911 will be called immediately.
6. In case of a head injury of any kind, staff will apply a cold compress to the injured area, and call the parent or guardian.

CPR/FIRST AID: At least one staff member who is CPR/First Aid certified must be on duty at all times. Often times several employees are certified per site, as the Millard Public Schools Foundation Kids Network pays for any employee who desires to become CPR/First Aid certified.

MANDATED REPORTING: According to Nebraska law, school employees and all other persons are required to notify Child Protective Services and law enforcement officials if they suspect a child has been subject to abuse or neglect to include but not limited to:

- Endangerment of physical or mental health
- Deprivation of necessary food, clothing, shelter or care
- Minor child six years of age or younger left unattended in a motor vehicle
- Suspected sexual abuse and/or exposure to sexual situations/materials

FIRE AND TORNADO DRILLS: Fire and tornado drills are conducted and documented monthly. Monthly fire and tornado drills are completed in am and pm sessions, so all children are familiar with evacuation procedures. A written record of fire and tornado drills, along with a map showing proper evacuation routes, is posted at each Kids Network site.

NUTRITION AND FOOD SAFETY: As a licensed child care center, we are required to provide a two component nutritious snack. Breakfast is provided by the Millard Public Schools Food Service Program. There are no additional fees charged to families for breakfast or afternoon snack. Afternoon snack is planned by the Site Director at each site. Site Directors are trained in menu planning and food handling.

Behavior Management

DISCIPLINE OF CHILDREN: As stated in the 'Child Care Center Standards' regulation book distributed by the Nebraska Department of Health and Human Services Regulation and Licensure for Child Care Licensing: The center shall ensure that no child is left alone, pinched, punched, shaken, struck with any object, bitten, or spanked by staff; a brief, supervised separation from the group may be used. Staff shall not discipline children: by denial of food, by forced napping, for a toileting accident, or with subjection to derogatory remarks about themselves or their family, abusive or profane language, yelling or screaming, or threats of physical punishment. Parents will be informed if the child's behavior becomes unmanageable.

DISCIPLINE GUIDELINE: Fighting, hitting, kicking, abusive language, signs or expressions, back talk, disrespect, not obeying the rules, hurting another child or staff, and repetitive negative behaviors will not be tolerated.

If any of the above behaviors occur, the discipline guidelines below will be followed.

- The child will be immediately separated from the situation.
- The child will be given a cooling down period of 3-5 minutes. The separation will be brief, but the goal is for the child to regain enough self-control to rejoin the group or activity. Isolating the child in any area where the child cannot be seen and supervised by a staff member is prohibited.
- Depending on the behavior, it may be necessary for the **Site Director** to complete a 'Child Disciplinary Report'. Although not all behaviors will warrant a Child Disciplinary report, it is important for the Site Director to communicate to the parent or guardian any serious or repetitive behavior issues or incidents.
- In extreme situations, it may be necessary to immediately contact the parents or guardians.

DISCIPLINE POLICY: If an inappropriate behavior does occur, we will use a positive approach by encouraging the child's good behavior and redirecting his/her activity. If the behavior continues, the child will be removed from the total situation, or given "time out". We will also consult with parents regarding any serious problem. Each consultation is documented and placed in the child's file.

When, in the judgment of the Site Director, the inappropriate behavior is serious enough to warrant further action but not serious enough to warrant immediate suspension from Kids Network, the Site Director will complete a 'Child Disciplinary Report' (CDR). A copy of the CDR will be given to the child and parent/guardian, and the child may not return to Kids Network until both the parent/guardian and the child sign the CDR. After three (3) CDR's, the child will be suspended from the program for three (3) school days. Following the suspension, three (3) additional CDR's will result in suspension from the program for ten (10) school days. Following the 10 day suspension, any behavior serious enough to warrant a CDR will result in immediate and permanent removal from Kids Network.

If the inappropriate behavior is of a serious nature, the Site Director and Kids Network Administration may determine that it is necessary to immediately suspend for a determined period of time, or permanently remove a child from the Kids Network program. This decision would be made after the Site Director and Kids Network Administration have investigated the facts and given the child oral and written notice of the charges against him/her, and notifying the parent or guardian of the final decision being made. Disciplinary decisions are reviewed on a case by case basis. All disciplinary actions are final for the best interest of the Kids Network program.

The Foundation reserves the right to hold families are responsible for all charges accruing during any period of time in which a child is suspended from the Kids Network program.

Examples of behavior which may result in immediate suspension for a time period to be determined by Kids Network Administration, or permanent removal from Kids Network include, but are not limited to:

- Intentionally striking or injuring another child or a staff person
- Intentionally damaging school or Kids Network property
- Threatening another child or a staff person
- Repeated occurrences of a behavior which might otherwise result in a written warning

INAPPROPRIATE FORMS OF DISCIPLINE: The following are inappropriate forms of discipline that will not be used by staff at the Kids Network program:

- Restraints
- Profane or abusive language
- Isolation without supervision
- Placing a child in a dark area
- Inflicting physical pain
- Forced physical activity, such as running laps, doing push-ups, etc.
- Verbal abuse or loud voice tones directed in a derogatory manner
- Writing sentences

BEHAVIOR MANAGEMENT: The above discipline guideline and policy has been established to provide consistency throughout the Kids Network program. The lists below are other appropriate procedures that the Kids Network program has in place to aid in behavior management:

- Children within the program will have a clear understanding of the rules and expectations of the program.
- Children in the program may help in determining some program rules.
- A variety of daily activities and routines are established that allow children to make choices.
- Praising acceptable and appropriate behaviors.
- Actively listening to children about their feelings and frustrations.
- Redirecting negative behaviors and suggest appropriate behavior.
- Employ staff that model appropriate behavior to the children.
- Allow children to resolve conflicts with staff supervision.

STANDARDS OF BEHAVIOR: We find it helpful to provide an outline of the expected standards of behavior for families enrolled in Kids Network. Please take a few minutes to review these statements with your child.

1. The rights, property and dignity of each person in and around the school are to be safeguarded at all times.
 - No abusive language, signs or expressions will be allowed.
 - No theft of any kind will be tolerated.
2. Authority in the program is established for the health, safety and well-being of all members of the program. No child will be allowed to undermine that authority.
 - Conditions do not exist which allow for continued “back talk” from students when reasonable requests are made. Abusive language or signs will not be acceptable.
3. School facilities are the property of all residents in the Millard School District. Day to day abuse of any part of the facility cannot be allowed to occur.
4. Each child needs a few minutes to “cool down” after an exciting day in school. Children should put belongings in designated areas, sit on “midline”, take attendance and be served after school snack.
5. Children are expected to demonstrate a responsibility of respect for: themselves, other children, Kids Network staff, parents, and for the space and materials we utilize for operations.

Consolidation Days, Snow Days & Summer Kids Network

CONSOLIDATION DAYS: The program will operate during vacations, staff development days, parent-teacher conference days, teacher conventions, and early release days. Consolidated sites are used during the days school is not in session. Typically on these days, three to five schools are consolidated to one site. Your child must attend the site where their home site is assigned. A schedule of the consolidation dates and locations will be distributed in September for the entire school year. Building selection is based on availability, and maintenance work that may need to be done at the school. During consolidation days, Kids Network operates from 6:30 am – 6:00 pm.

In order to use consolidation days, pre-registration for these days is required. Registration sheets are available at your home site approximately two to three weeks prior to the consolidation days. Children will not be allowed to use the consolidation days unless pre-registration is complete and submitted to your Site Director by the due date. Once the registration deadline has occurred, days cannot be added, changed or removed. Charges are based on the days for which you pre-register, regardless of attendance, and charges are non-refundable.

On days when school is not in session, regular rates do not apply. Please review the current fee schedule inside your registration packet indicating our current daily rates. Additional charges may apply if there is a scheduled fieldtrip. Consolidation charges are in addition to your regular tuition deduction that debits from your account on the first and third Friday of the month.

Each Kids Network site participates in the school lunch program provided by Millard Public Schools during consolidation and snow days. Summer program lunch service is determined upon annual review each spring. All lunch meals meet USDA requirements under the National School Lunch Program. The cost of the lunch program is paid by the Millard Public Schools Foundation. Weekly menus are posted at each site which is provided by the Millard Public Schools Food Service Department. Menus and times that lunch is served may vary at each location.

CENTER TIME: During consolidation days, Kids Network will operate center time in the morning and afternoon. Lesson plans will reflect the scheduled activities that are planned for each center. Morning center time will operate from 9:00 am – 11:15 pm, and afternoon center time will operate from 1:00 pm – 3:15 pm. Each site will offer three different centers, and children will be grouped according to age/grade level.

Center 1: Quiet Center: The quiet center is where the children have an opportunity to participate in books, puzzles, activity sheets and table games.

Center 2: Art/Activity Center: The art/activity center is where the children will have an opportunity to complete art projects and use a variety of art materials. This center will also be used for cooking and science activities.

Center 3: Group activity/Large Muscle Activity: This area is designated to provide children an opportunity to interact with their peers through an organized and supervised activity provided by the staff. A variety of activities should be planned for each group that is age appropriate.

FIELDTRIPS: During consolidation days throughout the school year, fieldtrips may be planned. Fieldtrips are an intricate part of the Kids Network summer program. Each summer site is given designated days in which they will be allowed to leave the site for scheduled fieldtrips. Field trips are an option, and we do not require children attend. However, we feel that many of the field trips are a fun and educational experience, and it is valuable for children to attend. We always welcome parent or guardian volunteers on field trips. If at any time you are interested in attending a scheduled field trip, please let your home Site Director know.

For added safety the adult to child ratio is lowered on field trip days. For swimming field trips we reduce child to adult ratio to 5:1. The following is a list of field trip safety procedures that is used for staff and children within the program.

FIELD TRIP PROCEDURES:

Staff Procedures:

- Prior to a scheduled field trip, staff is informed of important details of the trip (example: prohibited areas, meeting locations, times, cell phone numbers, etc.)
- Staff will wear a designated Kids Network field trip t-shirt.
- Proper swimming attire – Staff must be in swim wear, as this is a requirement of all city pools. Kids Network will maintain a 5:1 child to adult ratio on swim trips. Half of the staff will be in the water, and the other half will be supervising by walking the pool deck.
- Each staff member will keep a list of children’s names in their designated group.
- Each staff member will carry a first aid kit.
- Staff will accompany children to and from the bathroom.
- During the field trip, staff will count their group before moving to another designated area.
- Fifteen minutes prior to the scheduled departure time, staff will meet at a designated location. Site Directors will then complete an initial attendance and an additional head count prior to departure.
- Accountability: The ultimate accountability of children will be done in writing, on a field trip tracking sheet, by name as each child loads the bus.
- One staff member will be assigned to complete a final check of the bus after arrival back at the site. This will serve as added safety to make sure all children have departed the bus.

Procedures Established for the Children:

- A buddy system will be established for each child.
- Children must wear a designated Kids Network field trip t-shirt.
- Prior to departing the site, the following will be reviewed with the children:
 1. Bus rules
 2. Field trip rules and safety procedures
 3. Safety procedures for crossing the street

Children are taught the following steps indicated below, to take if for any reason they are to get separated from their group. We feel it is important to teach children the appropriate steps to take should such incident occur. Upon arrival at the field trip location, a “lost child” area is identified.

We teach children to:

1. Remain in the area where they last saw their group or go to the “lost child” area.
2. Ask for help in an open visible place from someone in charge.
3. NEVER leave the area with an unidentified person.
4. Teach children to tell a staff member immediately if their buddy is missing.

TRANSPORTATION FOR FIELD TRIPS: The Kids Network program uses Student Transportation of America, Inc., for field trip transportation.

BUS RULES: The following are bus rules that children are expected to follow:

- Children must stay seated and facing front at all times.
- If windows are down, hands must remain inside the bus.
- Feet must be kept out of the aisle.
- Voice levels must be kept to a minimum while on the bus.

SUMMER KIDS NETWORK: During summer, Kids Network operates from 6:30 am to 6:00 pm at selected sites. Summer rates will apply. Breakfast, lunch and afternoon snack will be provided daily for the summer program at no additional charge, as it is included in your child care tuition. A calendar of summer activities such as swimming, field trips and special activities will be published and submitted with the registration materials provided in the spring. Most activities on the calendar are included in the tuition. However, there may be additional activities or lunches that may require additional payment at your child’s site, if your child participates. Children are only able to attend the summer site where their home site is assigned. Children must have completed their first year of Kindergarten before being eligible to attend the summer Kids Network program. The only exception to this would be for those children who have been currently enrolled in the Montclair Montessori Preschool program, or staff children.

Children enrolled in the summer program do not receive vacation credit during summer operations. Families are charged for ten weeks of services. Should operations exceed 10 weeks no additional charge will be incurred by families.

SNOW DAYS: If school is cancelled due to weather conditions, Kids Network will make every effort to open, however there are many factors we must take into consideration. First and foremost is safety, the district’s ability to remove snow at the designated sites, or other conditions that could pose a danger to the children, staff, or facility. In the event that Kids Network is closed, the Foundation will try to place the closing on local television stations and via sending out email alerts. You may also seek this information on our website, on our Facebook page, and on the voice messaging systems at the Foundation office and your site. For more information regarding communication with families, please refer to ‘FAMILY COMMUNICATION’ on page 10. **Always call ahead, as our voice messaging system would reflect whether or not Kids Network will be open or closed.**

If school is closed due to weather conditions, the decision will usually be made by Millard Public School District officials before 6:30 am, and announced on local media outlets. If Kids Network is operating, it will open at the designated sites listed in this section. (Should there be inclement weather during consolidation services, services would always be held at the consolidation location if we are open for services).

The hours of operation would be from 7:00 am until 6:00 pm. Snow days are the only days for which parents or guardians do not have to pre-register. Families may choose to utilize any of the locations listed below. Breakfast, lunch and afternoon snack will be provided at no additional charge as it is included in the full day rate. The full day rate will apply on snow days. A snow day billing statement will be given at your child’s home site. The statement will reflect the date of the snow day, total amount due, and the date the amount will deducted with your regular deduction amount.

Partnership with Families

PARENTAL INVOLVEMENT: Parental involvement is a very important part of our program. Parents and children working together with staff members is an important element in a quality child care program. Visitation is encouraged by parents and other interested parties who wish to visit the site. A solid relationship with the Kids Network employees at your school, built on mutual trust and respect, is key in making your child care arrangement work well for everyone. Keep these tips in mind as you begin to build your relationship:

- ✓ Keep the lines of communication open at all times. Let your provider know if there is something going on in your child's life that may be affecting behavior.
- ✓ Be aware of program policies and honor them. Respect drop-off and pick-up times, and call if you are going to be late for any reason.
- ✓ Get involved with the program. The more you participate, the more dedicated you will feel.

There are bound to be certain topics or situations that are difficult to talk about with Kids Network employees. If you have developed an honest, open way of communicating with one another, discussing these issues as they arise will not be as difficult. Things to consider when discussing difficult issues:

- ✓ Raise issues when they first develop. If you put off a discussion, it may be more difficult to address later.
- ✓ Avoid confronting Kids Network employees in front of other parents or children. Set up a time to speak privately, in person, or over the phone.
- ✓ Think about what you want to discuss ahead of time, and even practice how you want to say it.
- ✓ Be specific about your concerns. Give examples of things that have happened or observations you have made.
- ✓ Never discuss a problem when you are feeling angry or not in control of your emotions.
- ✓ Remember that conflicts are normal and part of most relationships. They can usually be resolved when both parties can see the other's views and are willing to compromise.

COMMUNICATION TOOLS: The list below indicates strategies which the Kids Network program feels are helpful in communicating with families.

- Email communication regarding operational reminders and weather-related matters is another tool used to inform our families.

VISITORS: Kids Network welcomes you to visit the site at any time and wants you to feel free to ask questions. Visits are also conducted by Program Directors, Program Managers and State licensing officials.

FAMILY INFORMATION: It is the responsibility of parents to notify the Site Director of any changes in employment, address, phone numbers, care and/or custody arrangements, and any other important information regarding the child or family situation. All changes must be done so in writing by completing and submitting a 'Change of Information' form to your Site Director.
